Continuing classes begin September 19, 2016 and continue on a month-to-month basis through mid-June, 2017 (TBD). Students may enroll in continuing classes at any time during the year, space and curriculum permitting. The tuition listed by each class is based on a four-week month and is adjusted during months with holidays or a varying number of weeks. Students are billed prior to each new month with tuition being due by the first of that month. Students or parents of children wishing to withdraw from class must notify the office at least one week prior to the beginning of a new month in order to avoid incurring new tuition charges. Refunds are not possible after the first of the month if a student withdraws within that month. **Session classes**, which are marked with an asterisk (*) next to the tuition below, run for a specific number of weeks. These classes are paid for in advance, and the student enrolls for the entire course.
